

Highland Street AmeriCorps Ambassadors of Mentoring Program

Cape & Islands Community Engagement Ambassador

About AmeriCorps:

[AmeriCorps](#) is a national community service program that gives people an opportunity to apply their skills and ideals towards helping others and meeting critical needs in the community. The [Highland Street AmeriCorps Ambassadors of Mentoring](#) is an AmeriCorps Program where members serve in mentoring programs across Massachusetts.

Organizational Description:

Mass Mentoring Partnership (MMP) is fueling the movement to expand empowering youth-adult relationships across Massachusetts. MMP serves hundreds of program partners statewide supporting thousands of youth in quality relationships. We work with mentoring programs and youth development organizations to assess programmatic needs and organizational capacity to provide customized strategies that strengthen youth, families, and communities.

Host Site Description:

Big Brothers Big Sisters of Cape Cod and the Islands (BBBSCCI) serves 300 children each year through long-term, one-to-one matches between children facing adversity and caring adult volunteers, with plans to increase its service to more children in the region. BBBSCCI is a regional office of Big Brothers Big Sisters of Massachusetts Bay (BBBSMB), based in Boston and a member of Mass Mentoring Partnership.

Project Description:

The BBBSCCI Community Engagement Ambassador will create and sustain Community Partnerships, engage for-profit businesses, community-based organizations, and key constituents who can expand our volunteer recruitment capacity and contribute to positive experiences for our mentees on Cape Cod that will enable BBBSCCI to serve more children more throughout Cape Cod.

The Ambassador will take the lead role with a network of current volunteer partners and will also work with a portfolio of new and developing relationships to increase the volunteer pipeline. In particular, the Ambassador will head our local "Bigs in Blue" and "Bigs in Red" initiatives, working with local police and fire departments to increase volunteer recruitment. The Bigs in Blue/Red initiatives recently launched in partnership with the Barnstable police and fire departments, and we are excited to bring the program to law enforcement agencies and first responders across the Cape and Martha's Vineyard.

The Ambassador will be responsible to research, recruit and create formal community partnerships that will produce an increased number of volunteer inquiries and child referrals. Other duties will include, but not limited to, neighborhood research and "feet on the street", identify local community opportunities and events for BBBSMB attendance, represent the agency in the community, at events, with businesses and within schools and other human service agencies to expand our agency involvement and awareness.
