25K Grant To Fund Mentoring Campaign

By Shaun Tolson
Worcester Business Journal Staff Writer
Yesterday

The Mass Mentoring Partnership announced today that it recently received a \$25,000 grant from Staples Inc. of Framingham.

The donation will support the launch of a statewide public awareness and mentor recruitment campaign that will kick off on January 1.

The mentoring nonprofit said that it will use the recent funding to "build awareness that 3,000 youth in Massachusetts are now looking to connect with caring adult mentors."
