

The **MMP Journey to 30 Symposium & Celebration** is an immersive experience focused on honoring the power of mentoring and Mass Mentoring Partnership's 30 years of building the capacity of the field of youth-adult relationships.

In this two-part event, youth-serving practitioners, subject matter experts, policy makers, business leaders, and board members will come together for a day of workshops and peer learning at the ***Journey to 30 Symposium: Centering Equity & Belonging in Youth-Adult Relationships***.

Boston business leaders and MMP supporters will come together at the evening's ***Journey to 30 Celebration*** to raise a glass, awareness, and critical funds for the future of mentoring.

Join us in:

- Honoring *David Shapiro* as this year's Champion of Mentoring
- Celebrating 15 years of the *AmeriCorps Program* at MMP
- 12 years of the *James G. Connolly Tribute Fund*
- 14 years of the *KELLY Award*
- 7 years of the *ALKU Scholarship*

Invest in the support young people need now! Sponsoring this event allows for cross-sector networking, professional development for your team, the opportunity to co-create a workshop, or to just come and celebrate with like-minded individuals.

Join us at Encore Boston Harbor on November 10th as we celebrate past successes, honor the present collective moment, and invest in centering relationships as a solution for future generations.
