Hosted at  Breakfast Sponsored By 

Dear Community Business Leader,

On **Thursday, January 29, 2026**, Mass Mentoring Partnership will host our **Business Community Breakfast**, bringing together members of the Greater Boston business community for a morning of connection, learning, and dialogue focused on the role of mentoring in today's workplace.

Taking place from 7:30–9:00 a.m. at Lilly (450 Kendall Street, Cambridge), this event will provide an opportunity for business leaders to learn more about Mass Mentoring Partnership and to hear firsthand **the business case for mentoring as a workforce strategy**. The program will include time for networking and breakfast, followed by a panel of business leaders discussing the impact of mentoring on recruitment and retention, leadership development, and long-term talent growth.

We are inviting select organizations to partner with us as sponsors of this important convening. Sponsorship offers meaningful visibility among business and civic leaders while demonstrating your organization's commitment to workforce development, leadership, and community impact.

We are pleased to offer the following sponsorship opportunities:

- **Premier Sponsor** – \$5,000 (Exclusive)
- **Convener Sponsor** – \$2,500 (2 available)
- **Community Sponsor** – \$1,500 (3 available)

Details of each sponsorship level may be found in the attached sponsorship grid.

By sponsoring the Business Community Breakfast, your organization will:

- Engage directly with leaders from across the Boston business community
- Elevate your brand alongside a mission-driven organization advancing mentoring and opportunity
- Demonstrate a tangible commitment to developing and retaining talent through mentoring

We would be honored to partner with you for this event and welcome the opportunity to discuss sponsorship options further. Please reach out to Hannah St. Laurent, hstlaurent@massmentors.org with any inquiries. Thank you for your consideration, and we hope you will join us on January 29th.

Warm regards,

Mass Mentoring Partnership
